

Juvenile Arrests (Age 10-17) by Offense Class, Cook County CY2012

Arrest data was retrieved from the Criminal History Record Information on March 18, 2014, and provided by the Illinois Criminal Justice Information Authority. Zip codes used for this map are of arrestees, not of the incidents, and the map represents zip codes of residences of youth arrested in Cook County in CY2012. Some youth whose residence are in Cook County zip codes could be arrested in non Cook counties, and those numbers are not included in this map. Similarly, youth who reside out of Cook County could be arrested in Cook County. These numbers are not represented on this Cook County map. Arrest numbers are specific to each zip code, and zip codes where there were more than 990 arrestees are identified on this map. The size of a pie represents the number of arrests. This map was prepared by Kanako Ishida (ki@jjustice.org), Juvenile Justice Initiative, on April 8, 2014.
